

SU ARVID

Hybrid Rye
UK Descriptive list 2023

	Yield - Grain (%)	Specific Weight (kg/hl)	Protein (%)	Height (CM)	
SU Arvid	99	77.3	9	135	7
SU Performer	100	77.9	9.2	130	8

- SU Arvid is best suited to whole crop uses.
- It has a dense canopy which produces high yields as silage.
- Vigorous growth in the spring gives good competition.
- In Saaten Union UK wholecrop trials SU Arvid gave the highest yield.
